Song 5: The Things I Like

Here we have a slight change in strumming pattern. There are two bars of pattern A and two bars of pattern B. They are identical except that pattern A has two beats on the D chord, where as pattern B has a beat and a half - so you move to the A half a beat earlier.

The Things I Like

♩ = 150

The score is written for guitar in 4/4 time, with a tempo of 150 beats per minute. It features a key signature of two sharps (F# and C#). The first system consists of four measures with chords E, A, D, and A. The second system consists of five measures with chords E, A, D, A, and E. A dashed red line indicates a change in the strumming pattern between the two systems. A vertical orange line is placed between the first and second systems. The bottom staff shows a TAB with fret numbers and strumming directions (up and down arrows).
